

## **SIV Course Schedule: Lago d'Idro**

Paragliding is weather-dependent, but Lago d'Idro is exceptionally reliable. We adjust our daily volume based on conditions; while daily flight counts may vary, we guarantee five training flights per course. If weather prevents this, you can complete your remaining flights at any future SIV session.

### **Arrival & Prep**

**Sunday** - Arrival and check-in.

**Monday** - 09:00 Safety briefing and gear inspection.

Theory session and maneuver simulation.

Optional evening flight.

### **Core Training (Tuesday – Friday)**

**06:30** - Morning session (typically 2 training flights).

**Midday** - Lunch break.

**Afternoon** - Video analysis and debriefing. Briefing for the next day.

Optional ground-handling.

**Evening** - optional fun flight.

### **Departure**

**Saturday** - Reserve window for 1–2 flights (if delayed by weather).

Course wrap-up and departure.
